FRIDAY ACTIVITIES

❖ Today's activities were dancing and drumming

❖ On dance activitie we were learning a dance on a song Finesse Bruno Mars (0:32)

❖ We were divided i two groups of 13 students

❖ First group was on a dance workshop and the other was on a Djemba slass, then we switched

❖ Djembes are a well-known African drum. They are loud, rope-tuned drums that are played with your hands

❖ Djemba class was also fun, we all tried it and we all played in rhythm

❖ After all that we went to IT classroom and each group of people had to make a presentation about one day in a week, our theme was FRIDAY
