# Monday

9:30

First thing in the morning we made our way to the middle school in Rio Tinto.

10:00

Traditionally we started our journey with presenting our countries to the rest of the students and teachers taking part in this Erasmus project, as well as exchanging gifts.

Monday

14:00

After a delicious lunch in the school canteen, we headed on our first trip of the week.

We arrived at Rota da Filgrana where we got the chance to make our own jewellery and see some beautifully made pieces of jewellery.

# Monday

# Tuesday

9:30

After our breakfast we took a coach to Aveiro. It was one of most beautiful places we have been to so far. The weather was very warm and sunny that day wich made the city look even more bright and colourful.

Aveiro looks a little like a portuguese Venice so of course we had to take a trip on a boat.

# Tuesday

15:00

We also had some fun at the Center of “Ciencia Viva” located in Aveiro.

Tuesday

# Wednesday

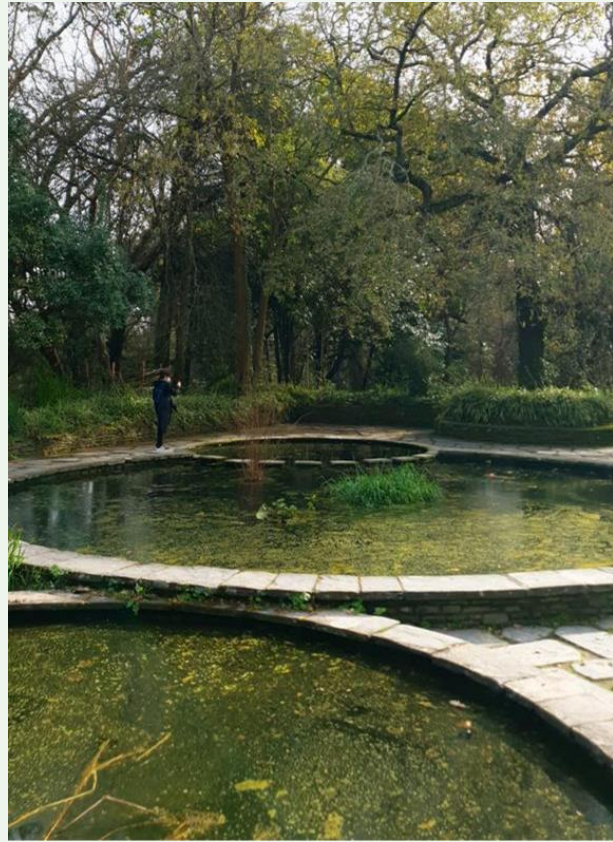

9:30

We were given some school lessons at the highschool in Rio Tinto, wich included Math, Physics and Chemistry.

14:00

After the school lunch we visited the Biodiversity Gallery. We were given a tour of almost all of the plants on the territory of the gallery.

Wednesday

# Thursday

9:30

CIIMAR activities-Interdisciplinary Centre of Marine and Environmental Research  
at School

14:00

-Cultural activities

-Douro Cruise

# Friday

9:30
