

TRIP TO ROMANIA

Work done by: Beatriz Rebelo, Filipa Melo, Mafalda Vieira, Leonor Ferreira,
Naelia dos Santos, Rita Cardoso, Rita Pereira, Sofia Martins

Arrival at school

We were very well received when we arrived at the school on day 1. We listened to presentations from all the countries involved in the project and ate food from each country.

We heard a Romanian girl singing a song. We saw a group of Romanian students doing a traditional dance and singing country songs.

The farm

On the farm we saw typical food. Some of us rode horses, and we all did different activities.

Our week

SCIENCE IS ALL AROUND US
