

SCIENCE IS ALL AROUND US

THURSDAY MORNING

- A visit to Science and Technology Centre.
- It's offering nearly 150 specially designed galleries, testing exhibits and robotic, electric and electronic workshops.
- It was very pretty and interesting.

THURSDAY MORNING

- A visit to GUHEM.
- GUHEM is Gökmen Center for space education.
- It was really cool because we like astronomy.

LUNCH

- We had lunch in Cumalıkızık.
- It's a village in the Yıldırım district of Bursa Province, located 10 kilometers east of the city of Bursa, at the foot of Mount Uludağ.

AFTERNOON IN CUMALIKIZIK

- We had a tour in Cumalıkızık.
- Their jewellery is really cute.

EVENING

- We watched Turkish traditional ritual.
- It was impressive.
